February 25, 2021

Amazingly, we're coming up on a full year since we've been able to fully function as a world-class banquet facility.

Who would have ever thought we'd still be having these discussions as to when, how many attendees and under what restrictions we would return to business and offer events again to our customers?

Governor Lamont recently announced venues such as ours can resume indoor operations beginning March 19th allowing max number of 100 guests. We are eager for this number to continue to increase as the coming months progress!! Our hopes for future easing of restrictions is why we have chosen not to install any tents this year. We all want to return to normal, albeit the "new normal".

This has been a long and arduous road to endure, not just for us as a business, but also for our outstanding, dedicated staff plus our many, supportive vendors. We truly miss doing what we've been doing best for over 50 yrs!!

Many of you who are booked for spring onward have begun reaching out to discuss your plans and options. We send a big Thank You to those of you still committed to moving forward with your event! As you prepare to celebrate; we'll be here getting our spacious rooms and manicured gardens ready for you!

Thank You, too, to all those who have sent their well wishes of encouragement and support for both The Aqua Turf Club and our entire industry!
